Hate to think of what it would've been like without you poking me in my back this year. Probably see you over the summer this year to maybe have a few basketball games

It's been fun since last Tuesday and we still have one left. Next year when we come back to school we will look as mature as we possibly can. Best of luck in the future

Since M.S.B. I've had only one class with you and you never there so I haven't talked to you much but I know you're a good guy and you're from Dunnigan!

Well Marv,

It was fun having you in all those classes we had together, even when you wouldn't tell me what I wanted to know. Any way maybe next year we can have some more classes togeather, like P.E. again. Do you know if I have you in P.E. next year that will make 3 yrs. in a row, just hope it isn't fifth again.

Good luck during the summer and I hope you don't have to dig to many of those ditches at work. (if thats what you do).

A friend(Always)

Carolyn S. (M).
